# Ce

weceyou.ae

Contemporary fine jewellery inspired  
by the depths of Earth's wonders —  
created for women, by women.

# Mthayel

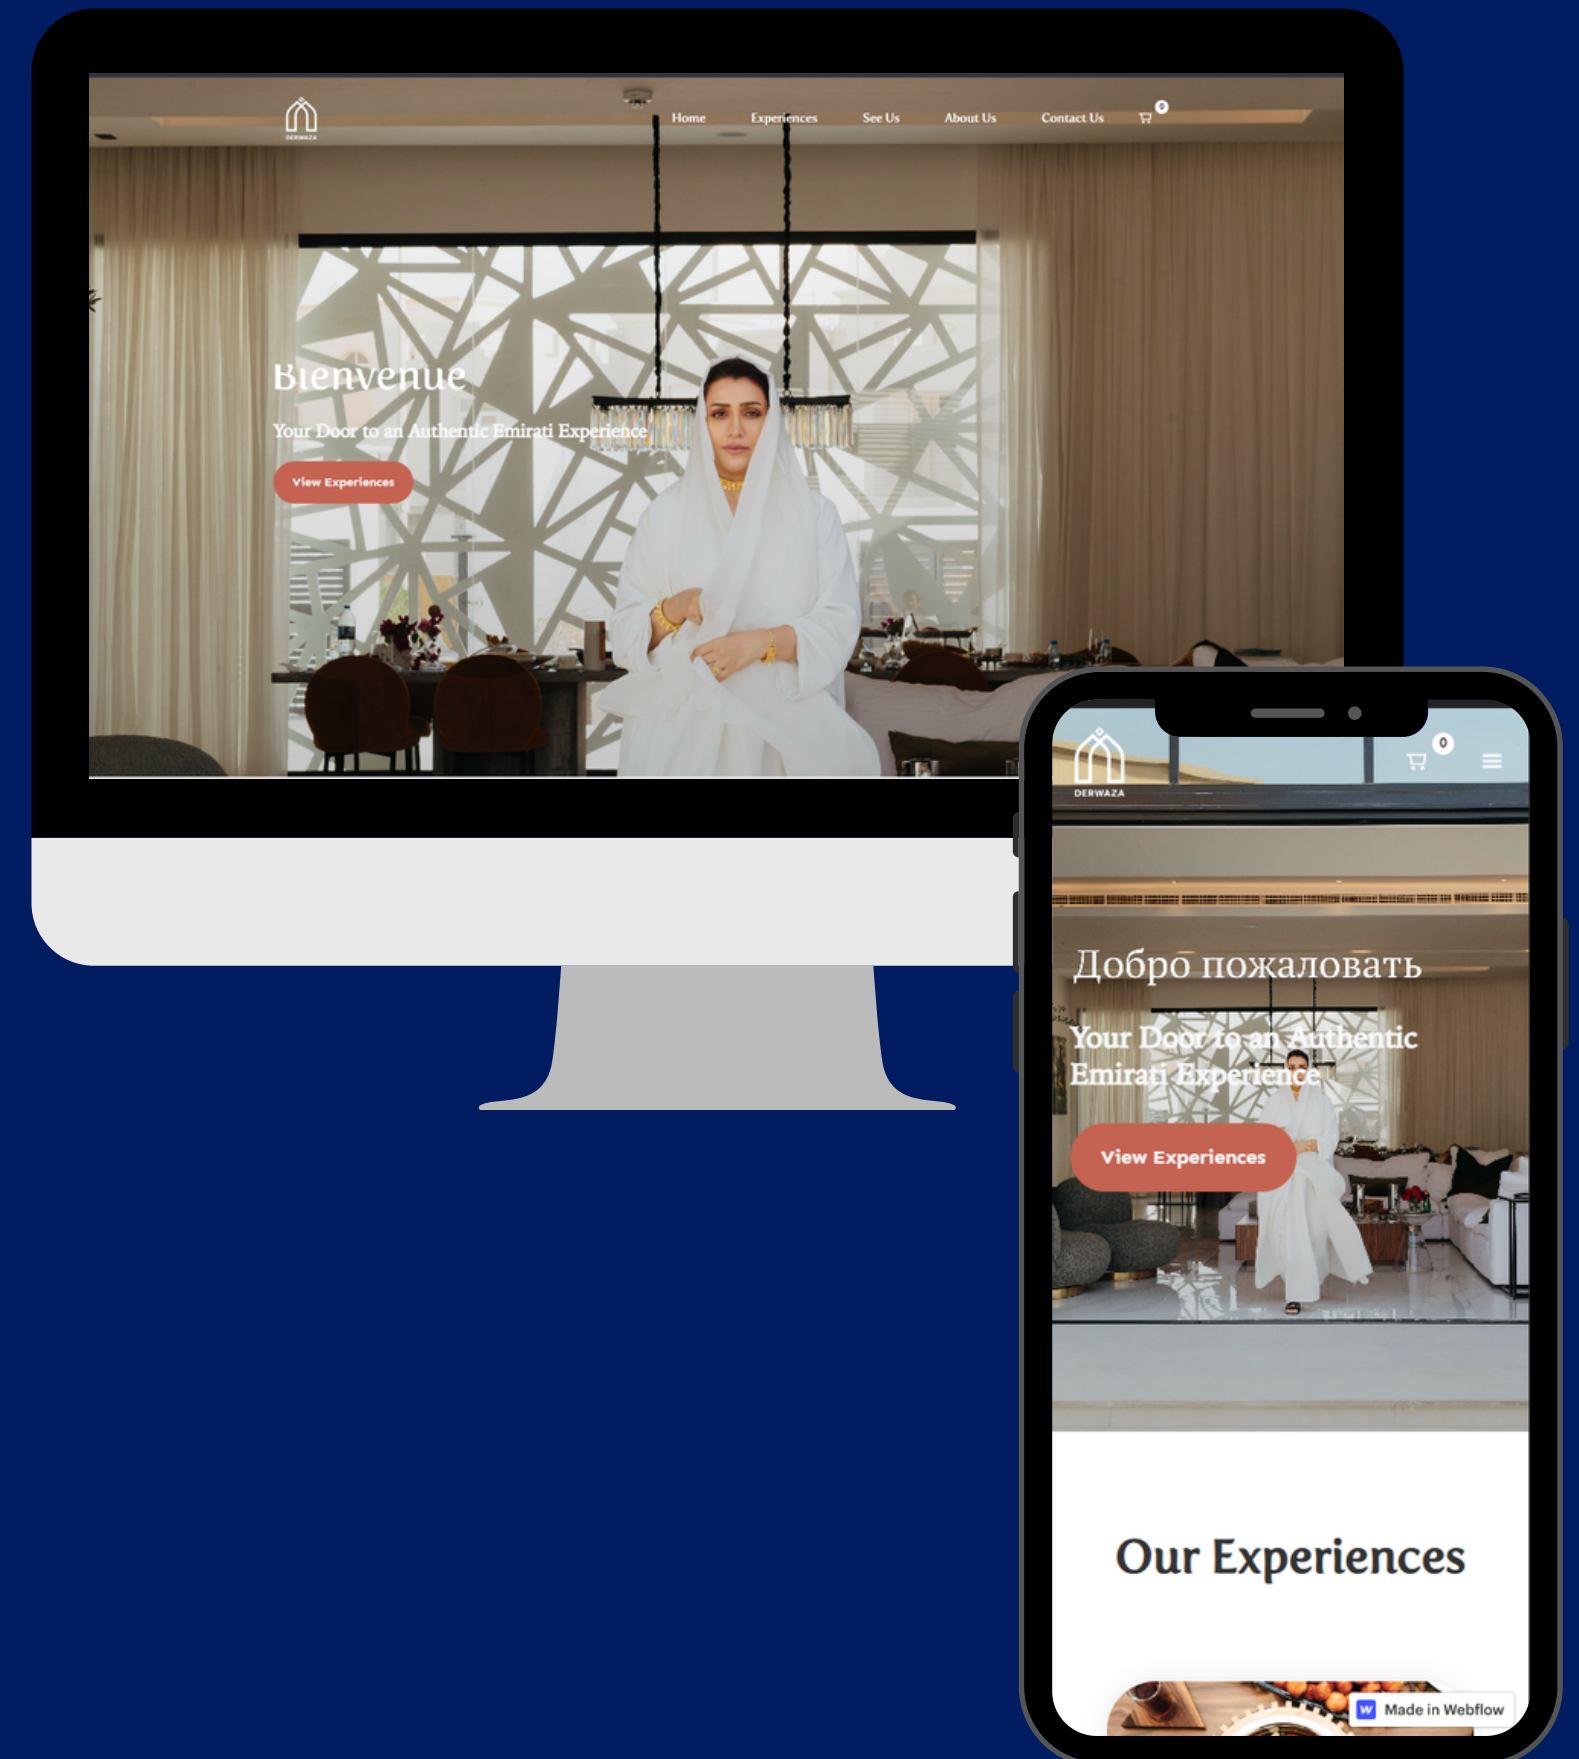

[mthayel.com](https://mthayel.com)

Mthayel Al Ali is a proud daughter of Sharjah, UAE, and before she is anything else—an entrepreneur, a social media influencer, or a public figure- she is human.

# Derwaza

[derwaza.webflow.io](https://derwaza.webflow.io)

Derwaza is a local Emirati name that means the "door of the house". We chose this name to represent welcoming and good gesture for our guest. Derwaza is your door to a true experience of local Emirati culture and tradition.

# Terra

[terra-eatery.com](https://terra-eatery.com)

Redefining modern day eating. Terra is inspired by travel, culture, art, and people. A maleable amalgam of humble meets refined, rustic meets contemporary, casual meets elevated.
